Kedves Kiállítóink, Küllembíró kollégák és látogatóink!

Történetünk jó 4 évvel ezelőtt kezdődött, amikor is Kijevben az FCI Európa Szekció üléséről nagy örömmel távozott a magyar delegáció.

Hosszadalmas előkészítő munka után jelentős szavazattöbbséggel elnyertük a 2021. évi Európa kutyakiállítás rendezési lehetőségét.

Akkor még nem tudhattuk, hogy milyen rögsz út vezet a megvalósításhoz.

Nem sokkal az ausztriai Welsben, 2019-ben megrendezett Európa kiállítás után elkezdődött egy olyan világyárvány, amelynek még a mai napig sem látjuk a végét.

Időközben lelkes csapatunk kiegészülve új kollégákkal elkezdte a kiállítás szervezését, mely mondjuk meg őszintén, ebben a szituációban nem volt egyszerű feladat, de óriási lehetőséggel kecsegtetett.

A kutyás világ ki volt és ki van „éhezve” a nagy jelentőségű megmérettetésekre.

Sajnálatos módon a májusra tervezett rendezvény az ismert egészségügyi okok miatt elhalasztásra került.

Az egyetlen lehetőségünk a december 28-31-i időpont maradt. Szervezőbizottságunk úgy gondolja, hogy ez a rendhagyó időpont sok kiállítónak ideális lehetőség, látogatóinknak pedig kimondottan jó szórakozást nyújthat a karácsony és a szilveszteri ünnepek között.

Megelégedéssel nyugtázom a nevezési létszámunkat, mely az Európa kiállítás vonatkozásában 11.000 résztvevőt jelent.

Mindenkinek köszönöm, aki bizalmat szavazott ennek a rendezvénysorozatnak.

Az Európa kiállítás mellett további, megközelítőleg 10.000 bírálatra számítunk a kísérő rendezvényeken.

Nyitó kiállításunkra, a Grand Prix CACIB-ra 4200 kutya nevezését regisztráltuk.

A terrieresek legjelentősebb találkozásán, az INTERRÁN 608 kutya vesz részt.

Jelentős szakmai megmérettetésnek számítanak fajtaklubjaink speciál- és klubkiállításai, melyekre a klubok vezetői valóban fajtaik legjobb szakembereit várják bírálatra.

Köszönöm a világ minden részéről érkező küllembíróknak, hogy ezekben a zavaros időkben elfogadták meghívásunkat és velünk töltik ezt az időszakot, ami a regisztrált számok alapján Európában a legjelentősebb kinológiai eseménnyé nőtte ki magát 2021-ben.

Minden résztvevőnek kívánok kinológiai sikerekben gazdag, nálunk töltött pár napot.

Kívánok az elmúlt éveknél sikereesebb, egészségesebb jövőt.

Dear Exhibitors, Judges and Visitors!

Our story started 4 years ago, when the Hungarian delegation left the FCI Europe Section meeting in Kiev in a joyful mood.

After a long preparatory work, we won the opportunity to host the 2021 European Dog Show with a significant majority.

At the time, we didn't know what a bumpy road will lead us to the realization of this event.

Shortly after the 2019 European Dog Show in Wels, Austria, a pandemic began, the end of which we are still not seeing to this day.

In the meantime, our enthusiastic team started to organize the exhibition with new colleagues, which, to be honest, was not an easy task in this situation, but it promised a huge opportunity.

The canine world was and is "hungry" for high-profile competitions.

Unfortunately, the event scheduled for May has been postponed due to known health reasons.

Our only option was 28-31 December. Our organizing committee believes that this unusual time is an ideal opportunity for many of our exhibitors, and that our visitors can have a particularly good time between Christmas and New Year's Eve.

I am pleased to acknowledge our entry numbers, which represents 11,000 participants for the European Dog Show.

Thank you to everyone who trusted us with this series of events.

In addition to the European Dog Show, we expect an additional 10,000 participant at the accompanying events.

We registered 4,200 dogs for our opening event, the Grand Prix CACIB Show.

The most important meeting for the terriers, INTERRA will be attended by 608 dogs.

The speciality and club shows of our breed clubs are significant competitions professionally, for which the club boards invited the best judges for their breeds to judge.

I would like to thank the judges from all over the world for accepting our invitation in these turbulent times and for spending this period with us, which, according to the registered numbers, has become the most significant cynological event in Europe in 2021.

I wish cynological success in these few days spent with us to all the participants!

I wish you a more successful, healthier future than in recent years.

Christmas, 2021

Kedves Olvasók!

Heltai Gáspár Száz fabula című állatmese-gyűjteményében van egy történet az orvról és a komondorról. Egy orv ember belopózott egy udvarba és a ház felé indult. Ekkor találkozott a komondorral, s talán félelmében egy darab kenyeret ajánlott az ebnek. A komondor így válaszolt:

“Ha jó kedvedből adod, elvészem. Ha imezéért, bizon el nem vészem, mert nem üllenék énhozzám, hogy egy lágy darab kenyérért az én gazdámot elárulnám, holott ő énnékem mindennap sok darab kenyeret ad, és arra táplál, hogy marháját megőrizzem.”

Ezt a mesét Heltai Gáspár 1556-ban jelentette meg, és ez is bizonyítja, hogy a magyar kutyafajták a magyar emberek évszázados tenyésztői munkájának eredményei. Ma is élő, eleven örökségünk. A kilenc magyar pásztor és vadászkutyafajta – a komondor, kuvasz, puli, pumi, mudi, rövidszőrű és drótszőrű magyar vizsla, erdélyi kopó, magyar agár – hungarikum, azaz bekerültek a magyarság csúcsteljesítményeit felsorakoztató gyűjteménybe. S mi büszkén tekintünk nemzeti értékeinkre, olyannyira, hogy a Magyar Országgyűlés a kilenc magyar kutyafajtát Nemzeti Kincssé nyilvánította.

Arra is büszkék vagyunk, hogy az idei évben újra hazánk adhat otthont a Budapesti Európa Kutyakiállításnak. Harmincöt országból várjuk vendégeinket, akik reményeink szerint, nem csak a nevezett 16 ezer kutyára lesznek kíváncsiak, hanem fővárosunk épített örökségére, kulturális és gasztronómiai értékeire is. Az idei évi rendezvény számos programot kínál a látogatóknak. Bízom benne, hogy mind többen vesznek részt a Magyar Fajták Világtalálkozóján is, melyen megismerhetik a magyar pásztor- és vadászkutyák hűségét és ragaszkodó szeretetét. Ma is épp úgy, mint ahogy azt Heltai Gáspár meséjében ránk hagyományozta. Ezúton is tisztelettel gratulálok a szervezőknek, további szolgálatukhoz pedig sok erőt, jó egészséget és küldetésükhez sok-sok támogatót kívánok.

Dr. Nagy István
Agrárminiszter

Dear readers,

Gáspár Heltai's collection of animal tales entitled *Hundred Fables* contains a story about a malevolent man and a komondor. A malevolent man crept into a courtyard and headed for the house. That is when he met the komondor, and perhaps in fear he offered the dog a piece of bread. The komondor replied:

"If you offer it in good spirit, I will take it. For this cause I will certainly not take it: for it does not suit me to betray my master for a soft piece of bread, though he gives me many pieces of bread every day, and feeds me to guard his cattle."

This tale was published by Gáspár Heltai in 1556, and it also proves that the Hungarian dog breeds are the result of centuries of breeding work by the Hungarian people. Our living heritage is still alive today. The nine Hungarian shepherd and hunting dog breeds - the Komondor, Kuvasz, Puli, Pumi, Mudi, Hungarian Shorthaired and Wirehaired Vizsla, Hungarian Greyhound, Transylvanian Hound –are included on the list of top performances of Hungarians. And we are proud of our national values, so much so that the Hungarian Parliament has declared the nine Hungarian dog breeds to be National Treasures.

We are also proud that this year Hungary will be able to host the European Dog Show in Budapest again. We welcome our guests from thirty-five countries, who we hope will be interested not only in the 16,000 dogs entered, but also in the heritage, cultural and gastronomic values of our capital. This year's event offers a number of programs for visitors. I am confident that more and more people will take part in the World Cup of Hungarian Breeds, where they can experience the loyalty and affectionate love of the Hungarian shepherd and hunting dogs. Same today, just as it was handed down to us in the tale of Gáspár Heltai. Again, I would like to congratulate the organizers and wish them a lot of strength, good health and a lot of supporters for their mission.

Az „Egy a Természettel” Vadászati és Természeti Világkiállítás kétségkívül az év legnagyobb természetel, fenntartható természethasználattal foglalkozó rendezvénye volt, ahogyan az FCI Európai Kutya Show-ja az esztendő monumentális kutyás programja. A világkiállítást, a maga húsz napos központi rendezvényén túl – amelyre örömmel mondhatom, hogy több mint 600 ezren látogattak el –, egyfajta ernyőként alkottuk meg, hogy a jegyében három éven keresztül valósulhassanak meg olyan programok, amelyek a látogatók számára a körülöttünk lévő természet értékek fontosságát képviselik. Tapasztalatból mondhatom, hogy kutyázás is egy ilyen érték, legyen szó vadászkutyákról, vagy éppen hobbikutyákról, az egészséges verseny, a standardoknak való megfelelés viszi előbbre a fajták ügyét és jövőjét.

A világkiállítás jegyében tehát 10 rangos nemzetközi versenyt – többségében vadászkutyás megmérettetéseket – hoztunk el Magyarországra, amelyeknek sorát jelen show zárja, úgy hiszem méltó képpen, s méltó környezetben, ugyanis a magyar kormány segítségével által megújult HUNGEXPO ezentúl ilyen helyszínt biztosít a magyar és nemzetközi kutyás élet számára. Végre régóta kiérdemelt színvonalú „placcon” folytatódhat évről-évre az a munka, amelynek a FeHoVa látogatói már hosszú ideje ismerhetik az előéletét.

Bízom benne, hogy tartalmas programok mellett sikerül Budapesten a karácsonyi izgalmakat egy pohár finom pezsgóval megünnepelniük, mert a kutyákért végzett munka mindenképpen megérdemli az elismerést. Erre az elhivatottságra – ahogy négy lábú társainkra – pedig szükség van, mert ahogy Fekete István írta: „Az ember szól egy pár szót a kutyához, és a kutya a farkát csóválja, a szeme nevet, mert szereti az emberi hang lágy hullámzását, legfőképpen pedig szereti azt a simogató valamit, ami a hang mögött van.”

Toast

The “One With Nature” World of Hunting and Nature exhibition was without doubt the year’s biggest event focusing on nature and the sustainable use of nature. Similarly, the FCI European Dog Show is the year’s pre-eminent dog show. In addition to the central twenty-day event – which I am pleased to say was attended by more than 600,000 people – the World Exhibition was conceived as a framework for three years of events which sought to present the importance of the natural treasures around us. From personal experience I can personally attest to the fact that one such treasure is our relationship with dogs. Whether dogs are used for hunting or kept solely as pets, healthy competition and conformation to standards promote the cause and future of breeds.

Within the framework of the World Exhibition we brought ten prestigious international competitions to Hungary, most of them focusing on hunting dogs. The current show will conclude this series of competitions in a fitting manner and in distinguished surroundings. HUNGEXPO, which has been refurbished with the assistance of the Hungarian government, will in the future continue to provide such a venue for events forming part of the Hungarian and international dog scene. At last the work that visitors to FeHoVa have been familiar with for a long time can continue on an annual basis in an arena providing the quality that it has long deserved.

I hope that you will be able to celebrate the excitement of Christmas in Budapest with a glass of fine champagne, because the work you do for dogs certainly deserves recognition. And this dedication – just like our four-legged companions – is something we need. Because, as István Fekete wrote, “A human says a few words to a dog, and the dog wags its tail and its eyes laugh; because it loves the soft waves of the human voice – and above all it loves the caressing sensation it feels behind that voice.”

Köszöntő

A 2021. év FCI Európa kiállításának vezető bírójaként, tenyésztőként és a Kynológiai Világszervezet, az FCI Elnökeként megkülönböztetett szerepeltetettel köszöntök szülővárosomban minden kiállítót, tenyésztőt, szakértőt, kutyaszerető vendéget és látogatót.

Nem kis büszkeséggel tölt el, hogy a nemzetközi kynológia történetében először fordul elő, hogy az év legnagyobb szabású világrendezvénye Magyarországon kerül megrendezésre. Európa és a világ más földrészeinek legjobb bírójának megtisztelő az a csaknem 20.000 nevezés, amellyel a földrész legjobb tenyésztői megbízták őket a 4 napos Európa kiállítás és csatolt rendezvényei során.

A kiállítás a fajtatiszta kutyák tenyésztésének idei legnagyobb bemutatkozása. Ablak a világra nemcsak a tenyésztők eredményeinek egymás közti összehasonlítására, de a minket körülvevő társadalom számára is. A tudomány legmodernebb eszközeinek felhasználásával (egészségügyi szűrések, genetikai vizsgálatok, küllemi és karaktertesztek, munkaképességvizsgálatok, klinikai vizsgálatok) végzett tenyésztői munka célközönsége a minket körülvevő társadalmi közeg. Az áldozatos munka eredményeként Önök külső és belső tulajdonságaikban kiszámítható családtagot, munkatársat, szabadidőpartnert visznek a háztartásukba magányuk oldására, gyermekeik jobb emberré nevelésére, az életük teljessé tételére. Az itt látható fajták számtalan módon szolgálják az emberi társadalmat mentőkutyaként, terápiás kutyaként, vadászatokon, őrző-védő feladatok ellátásában, és számos velük együtt végzett sporttevékenység során.

Mindenkinek értékes szakmai kapcsolatok kötését kívánom, a kutyaszerető érdeklődőknek pedig azt, hogy a rendezvény segítse megtalálni az életmódjukhoz, körülményeikhez legjobban illeszkedő kutyafajtát!

Prologue

As the lead judge of the FCI European Dog Show, a breeder and the President of the Fédération Cynologique Internationale I would like to express my warm welcome to all experts, breeders, exhibitors, visitors and dog enthusiasts on the occasion of the FCI European Dog Show in Budapest, the city where I was born.

I can proudly announce that these 4 days is the largest event of this calendar year related to Pedigree Dogs' breeding. Our officiating judges came from all over the World and their knowledge and the respect for them resulted in 20.000 entries from our exhibitors over the 4 days.

The monster event is the largest annual celebration of Pedigree Dogs' breeding in 2021. The Continent's best breeders will compare their competition results not only with each other, but it is also a window to our society around us. Why our breeders use all the modern technology available such as DNA tests, health testing, conformation tests, character and working ability tests during their professional work of breeding? Because our duty is to provide healthy, happy, functional dogs with predictable features to serve the members of our society as rescue dogs, therapy-dogs, police dogs, partners in some of our work. One of the most serious issues of our modern life is loneliness with its several consequences. Dogs offer a great solution to this problem as well by being the perfect companion animals. They can also provide great help to our children becoming better adults. Feel free to use this offer of the best breeders!

I am wishing all competitors and breeders to find new partners for their fruitful future work! I am sure that everybody who is just visiting the event and is planning to have a dog in their household will find the right breed here, fitting to their lifestyle and environment! Enjoy your journey!
