Eine Verletzung dieser Regelung kann zum Ausschluss von der laufenden und von folgenden Ausstellungen führen.
5. Bissige, kranke, mit Ungeziefer behaftete Hunde sowie Hündinnen, die sichtlich trächtig oder in der Säugeperiode oder in Begleitung ihrer Welpen sind, dürfen nicht in das Ausstellungsgelände eingebracht werden. 14. Der Aussteller/Vorführer erkennt an, dass Formwertnoten und Platzierungen des Zuchtrichters unanfechtbar sind. Sie unterliegen keiner Überprüfung. Eine Beleidigung des Zuchtrichters oder öffentliche Kritik seiner Bewertungen und Platzierungen ist unzulässig.
15. Für das rechtzeitige Vorführen der Hunde ist der Aussteller/Vorführer selbst verantwortlich.
16. Die Abstammungsnachweise der gemeldeten Hunde, die Leistungsurkunden bei Gebrauchshunden sowie die Nachweise über Siegertitel sind auf Anforderung vorzulegen.
17. Die Ausstellungsleitung ist berechtigt, einen Zuchtrichterwechsel vorzunehmen.

2. Only those pedigree dogs for which a breed standard has been adopted by the FCI and/or VDH and which are registered in a stud book or register (livre d'attente) recognized by the FCI and/or VDH may be admitted for showing. The identity of dogs entered for showing may be verified.
3. Dogs from Germany and abroad are banned from being shown if they display the following:
 1. cropped ears
 2. docked tail (Exception: Dogs used for hunting in accordance with the German Animal Welfare Laws/only for FCI-recognized hunting breeds of dog).
4. The exhibitors are responsible for the welfare of the dogs at a FCI International dog shows. It is forbidden to expose a dog to a situation that can be dangerous for its health and welfare, such as for example leaving it in the car in excessively hot or cold weather and/or treating it in a cruel manner. A violation of this ruling will result in an exclusion from the ongoing and future dog shows.
5. Dogs which bite, are ill, or are infested with parasites are not permitted to enter the show venue. This restriction also applies to bitches that are visibly in whelp, lactating or accompanied by their puppies. Any person who brings a diseased or ill dog into a show shall be liable for any consequences which result. Dogs which are evidently deaf or blind are not permitted to take part in the show. Bitches in heat may be shown at dog shows for which permission has been granted by VDH.
6. Any dogs which have demonstrated over-aggressive or snappy behaviour towards people or other dogs at a dog show may be barred from showing on either a temporary or permanent basis. This also applies to dogs who have undergone irreversible interventions.
7. The owners of exhibited dogs are liable for all damages caused by their dogs.
8. Specific areas solely designated for exhibitors can be found close to all rings and the preliminary ring. We have to make sure that the escape routes in the halls are free and are not blocked by any equipment (transport boxes, trimming tables, chairs, etc.). In these areas the exhibitors have the opportunity to prepare their dogs and to wait for the competitions. In each hall you will find special areas which are only intended for exhibitors. We request that you make use of these designated areas near your ring. Our on-site personnel is available to answer any questions and will show you your respective spaces. Because of security reasons it is forbidden to use crate fences.
9. For each registered dog, one person has free admission. The respective ticket will be sent in advance and has to be shown at the entrance. Tickets for accompanying persons can be purchased in the online shop.
10. The halls will be open for the exhibitors from 7.00 a.m. onwards. Visitors have access from 8.30 a.m. The judging of the dogs will start on 9.00 a.m. The exhibitors will receive the timetable with the judging times of the several breeds in advance. The judging of the dogs does not start before the indicated times.
11. The vaccination certificates of the dogs will be checked at the entrance. Please keep the vaccination certificates ready. Please take note of the valid vaccination against rabies.
12. In the show area, dogs may only be prepared for showing by combing and brushing without the use of any substances or grooming aids. Tying dogs to so-called "gallows" is not allowed.
13. The use of laser pointers is prohibited. It should also be noted that no information which might indicate the pedigree or kennel of a dog may be given (through, for example, prints on clothing).
14. Exhibitors acknowledge that qualifications and placings awarded by the judge are incontestable.

ble and shall not be subject to review. Public expressions of criticism or insults directed at judges are impermissible.

15. Each exhibitor/handler is personally responsible for presenting dogs punctually for showing.
16. Pedigrees of dogs registered for showing, performance certificates for working dogs and

proof of Champion titles are to be presented on request.

17. The show organizers are entitled to replace a judge.
18. Neutered dogs are not allowed to participate.
